

EPA Qualified Club Coaches

There are a number of Club Coaches active within The Great Western Region.

Those listed here may be contacted directly by any individual, club or other organization for coaching or instruction in the sport. Alternatively, those seeking coaching may contact the Regional Coach Coordinator in order to make suitable arrangements.

Petanque Coaching is free for any EPA registered club or individual. Other expenses incurred directly through any coaching activity, such as travelling expenses, refreshments etc, may be negotiated and agreed between those involved.

Non-EPA members should discuss all requirements and arrangements with individual coaches as necessary.
